## NONPROFITS ADAPT AND DELIVER

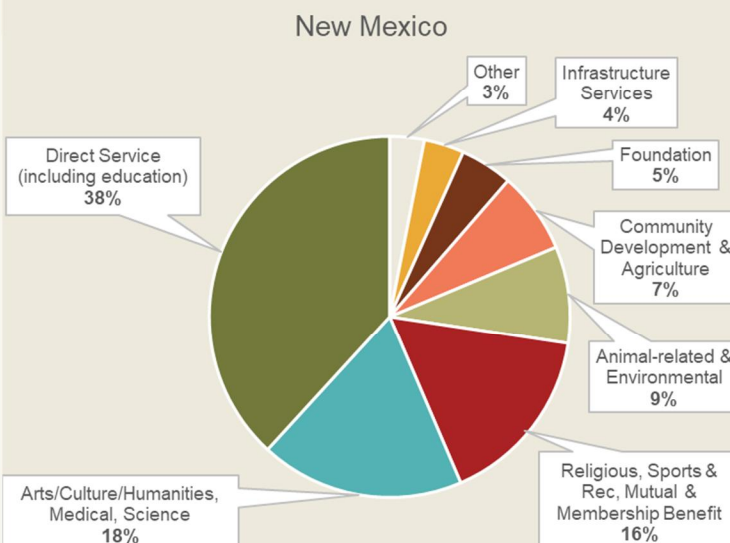

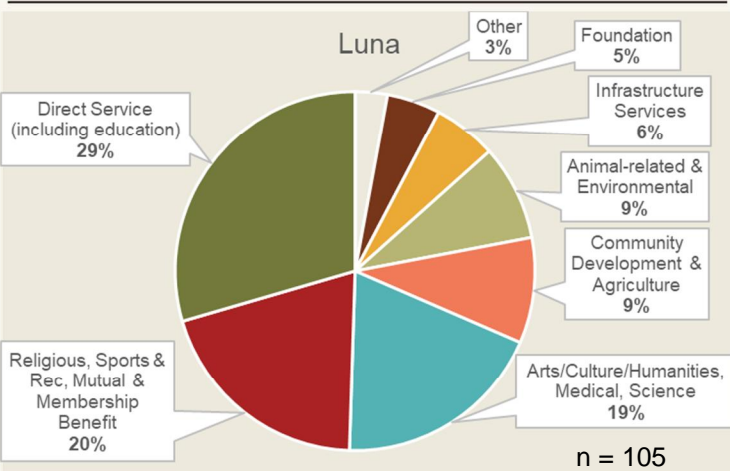

“The COVID-19 pandemic resurfaced an undeniable truth: charitable nonprofits and governments are natural partners, serving the same constituents in the same communities. The challenges of one are the challenges of all. Partnerships between the sectors allow for leveraging of resources, relationships, and strengths to serve communities even better.”

### National Council of Nonprofits

**10,921** New Mexico nonprofits generate **\$3.22 billion** in economic output and employ **1 in 13 people** in the private workforce.

When the pandemic hit New Mexico, nonprofits responded without hesitation. Despite loss of revenue and volunteers, nonprofits adapted and delivered. They provided food, emergency shelter and other critical services.

Charitable nonprofits contribute to community vitality and well-being. Nonprofits are employers and economic engines. **Resilient communities need resilient nonprofit organizations.**
